

Practicalities

About the venue

Our event, 'Seeing Problems as Opportunities,' will take place at the Teamleader HQ office. The address is Dok-Noord 3A/101, 9000 Ghent. There is an [instruction video](#) on how to reach the Teamleader office.

Follow the signs 'Teamleader' or 'Breaking the Silos' at the entrance. When the front door is closed, ring the doorbell or call the number mentioned on the note at the door. You can find a picture of the inside and outside of the venue below.

For persons with reduced mobility (PRM), the venue is accessible. When you arrive, take the elevator to the first floor to register your attendance. Someone from Teamleader will assist you to the second floor (unavailable without a badge) from where you can reach the toilets, kitchen/networking area, and the auditorium where the talks occur.

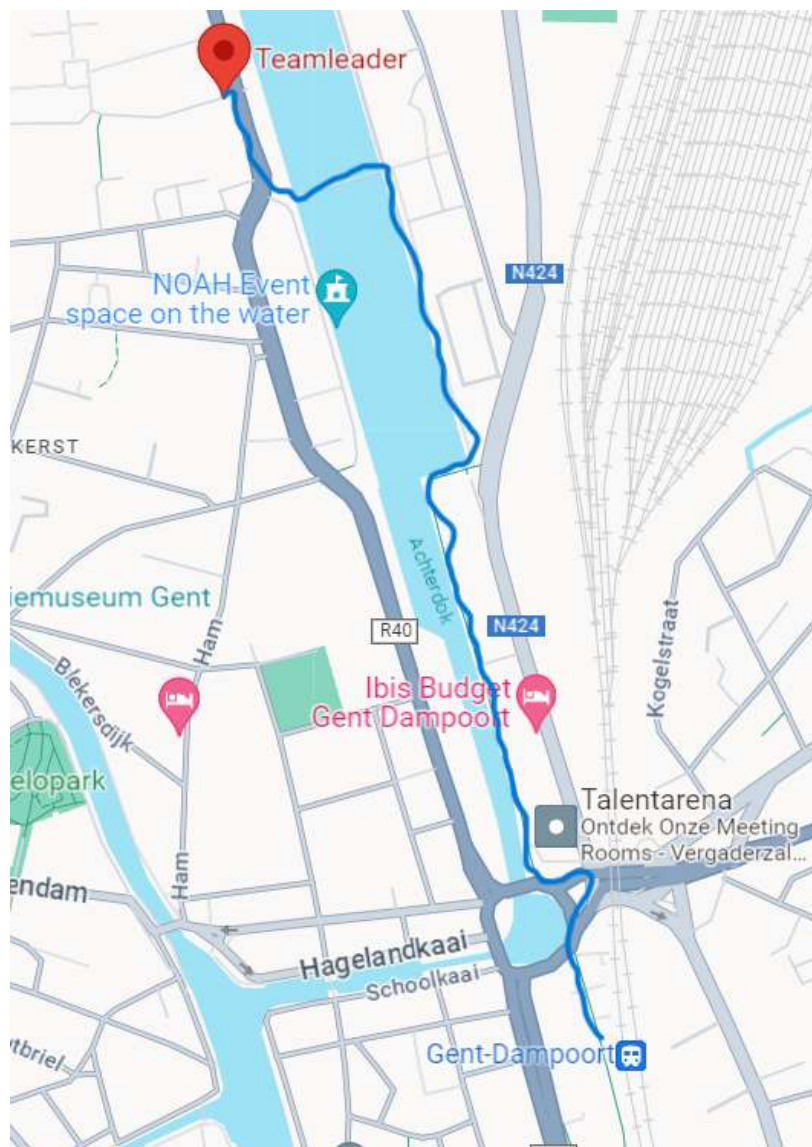

How to get there

If you come by public transport

Train

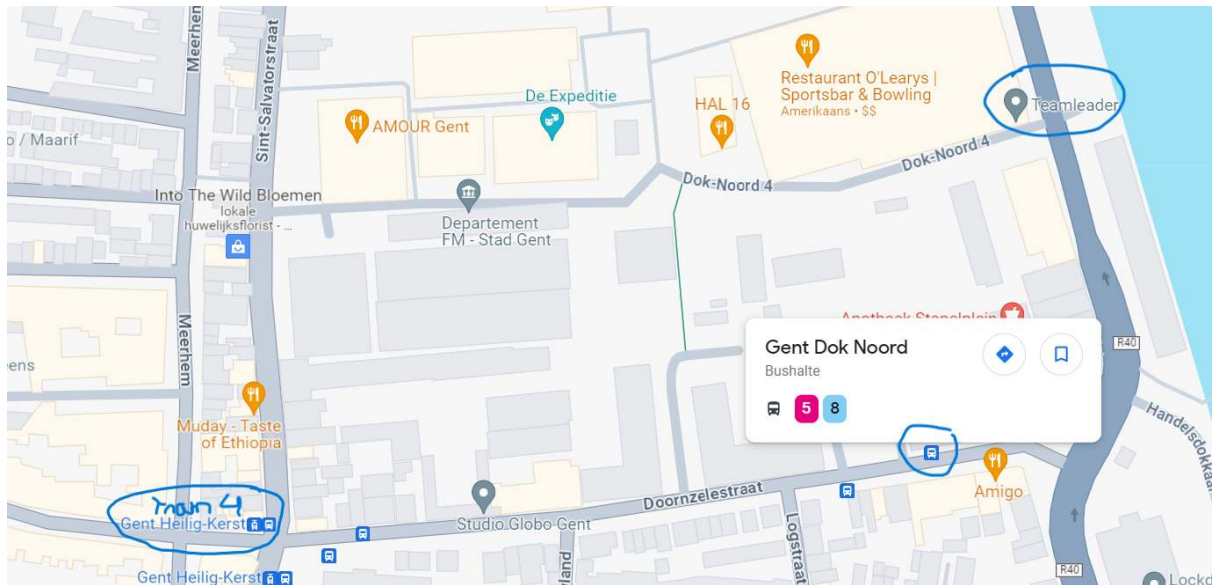

The venue is within 15-20 minutes walking distance of the train station Gent-Dampoort.

On the image, follow the blue line. From the 'Gent Dampoort' train station, walk west and cross the roundabout Dampoort towards 'Oktrooiplein' (Quantum building with all the glass). Take the street "Kleindokkaai" (next to the Quantum building and river, and follow this road until you get to the 'Bataviabrug' (a wooden pedestrian bridge crossing the river) and cross the bridge. At the end, cross the road and go right on the 'Dok Noord' street's sidewalk. You will find your destination on the left at the first crossing.

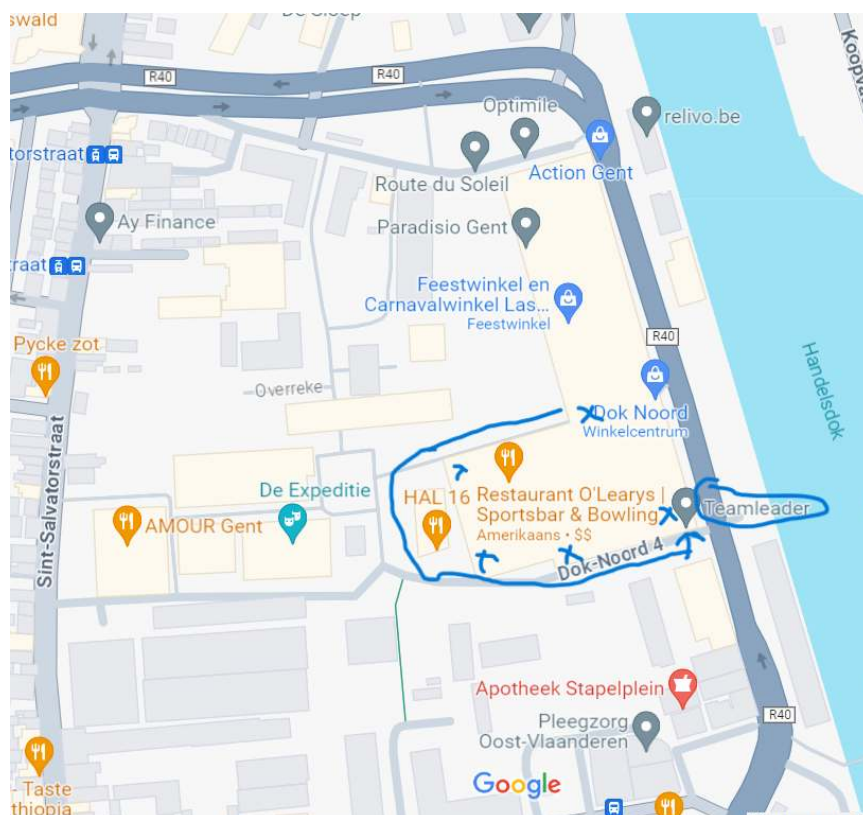

Bus or tram

The venue is within 5-10 walking distance of the bus (line 5 or 8) stop 'Dok Noord' or tram line 4 stop 'Heilig Kerst'.

If you come by car

There is public parking underneath the building 'Indigo Dok Noord' (see the possible exits of the parking for pedestrians marked in blue on the image below - and the route towards the entrance for Teamleader). Or, you may find a parking space in the surrounding streets (mostly, you have to pay till 23:00).

If you come by bike

You can park your bike at Hal 16 or at the shopping centre Dok Noord.
